Fingerprint Taking

Modernize your fingerprint taking process for criminal booking & applicant processing with a Sirchie LiveScan System

We designed our LiveScan solutions so you know who you're really dealing with, without all the hassles and expense of over-complicated, over-engineered, or outdated systems. Our systems are:

- **Ready-to-use and FBI-Certified.** Our Criminal Booking and Applicant Record processes are in a turnkey package and already certified by the FBI. You'll be ready to take fingerprints as soon as it is delivered to you.

- **Low maintenance.** When using our system, you won't receive large monthly maintenance fees. Our system requires little maintenance with the same effectiveness as other systems and is friendly to your budget.

- **Less time.** LiveScan is a two-in-one tool since prints are transmitted electronically. There isn't the processing time of inking a person, scanning his or her prints and uploading the prints to databases.

- **Quality fingerprints.** Instant print quality grading to ensure print quality and reduce rejection rate.

- **Secure Transmission.** Compatible with required systems for secure transmission of criminal and applicant transactions.

For more information on our LiveScan Systems contact us at 800.356.7311 or sales@sirchie.com.

PrintMatic™ Flawless™ Options

PrintMatic™ Flawless Ink Pad

These ink pads provide a high degree of detail in the fingerprint impression, and produce thousands of rolled and plain impressions. They provide just the right amount of ink on its surface—not too much and not too little. Stainfree Ink is easily removed from fingers with a dry paper towel. PrintMatic™ Flawless ink pads are supplied in our unique multi-mount, injection molded, copolymer polypropylene case, and their cases are equipped with a positive, snaplock lid to protect the ink surface from airborne contaminants.

PFP700 Features:
- Multi-Mount, Injection-Molded, Copolymer Polypropylene Case, black textured finish
- Stainfree ink formula limits cleanup
- Sharp, crisp, high-contrast impressions
- Quick, easy cleanup
- Over 10,000 single impressions

PFP700 Specifications:
- Weight: 3 oz.
- Dimensions: 6 ¼" x 3" x ½"

No. PFP700	PrintMatic™ Flawless Ink Pad
No. PFP702	Replacement Ink Pad

PrintMatic™ Flawless™ Pocket Fingerprint Pads

These PrintMatic Pocket Pads offer stainless ink for thousands of single impressions. To remove the ink from your fingers, simply rub your fingers together or use a dry paper towel.

Features:
- Permanent, non-fading ink
- Instant drying
- Thousands of prints without re-inking

Specifications:
- Stainfree Ink
- Net Weight: 0.5 oz (PFP601), 0.9 oz. (PFP602)
- Dimensions: ⅜" x 1 ⅝" dia. (PFP601), ⅝" x 2" dia. (PFP602)
- Case: Polypropylene with live hinge

No. PFP601	PrintMatic™ Flawless Micro Ink Pad, 1 ⅝" dia.
No. PFP602	PrintMatic™ Flawless Mini Ink Pad, 2" dia.

Porelon® Options

Porelon® Fingerprint Pad

This pocket-sized pad, introduced by Sirchie more than 30 years ago, is the accepted Standard by law enforcement world wide. Each pad may be used to record thousands of fingerprints. A two-year supply of ink is impregnated in each pad (based on 75°F with lid closed after use), and is excellent for use in the field or office. The thermal-impregnated fingerprint ink is non-fading and dries on-contact in seconds. The Porelon® Pad utilizes the multi-mount injection molded case for versatility in mounting options.

FPT265 Features:
- Permanent Ink
- Lightweight, only 3.7 oz.
- Temperature use: 32 degrees F to 150 degrees F
- Lifetime molded case
- Multi-mount, injection-molded, copolymer, polyproylene case
- Quick, easy cleanup
- Thousands of single impressions

FPT265 Specifications:
- Weight: 3.7 oz.
- Dimensions: 6 ¼" x 3" x ½"

No. FPT265	Porelon® Fingerprint Pad
No. FPT268A	Replacement Pad

Micro & Mini Porelon® Fingerprint Pads

These pocket-sized pads give you the same reliable, detailed prints as our regular Porelon® pad. Primarily for single fingerprint recording on checks, documents, traffic summons, etc.

Features:
- Permanent, non-fading ink
- Instant drying
- Thousand of prints - no re-inking

Specifications:
- Net Weight: 0.5 oz. (PMP100), 0.9 oz. (PMP1002)
- Dimensions: ⅝" x 1 ⅝" dia. (PMP100), ⅝" x 2" dia. (PMP1002)
- Case: Polypropylene with live hinge

No. PMP100	Porelon® Micro Fingerprint Pad, 1 ⅝" dia.
No. PMP1002	Porelon® Mini Fingerprint Pad, 2'' dia.

Citake™ Patrol Officer Pocket Kits

This is an ideal kit for the traffic officer. Single fingerprints may be taken at the scene with almost instantaneous cleanup. One micro Porelon® Pad and 6 hermetically-sealed, disposable super ink cleaner towelettes are packaged in a convenient nylon pocket case.

PMP200/PMP200T Specifications:

• Net Weight: 1.8 oz.

• Dimensions: 3 ⅜" x 3 ⅜" x 1 ½"

PMP200/PMP200T Contents:

6- FPT1C1 Super Cleaner Towelettes

1- PMP100 Micro Porelon® Fingerprint Pad or PFP601 Micro Flawless™ Pad

1- PMP2001 Nylon Pocket Case

No. PMP200	Citake™ Pocket Kit w/Porelon® Pad
No. PMP200T	Citake™ Pocket Kit w/Flawless™ Pad

Porelon® Palm Print Pad

Featuring a 5" x 6 ⅛" Porelon® ink pad in a hard plastic case, this unit is designed especially for taking palm prints. The thermal-impregnated fingerprint ink is non-fading and dries on-contact. Ink rises to the surface as required through capillary action of the micro-reticulated thermoplastic resin. Use this pad with our AP110 or AP112 Palm Print Record Cards.

FPT00002 Features:

• Permanent Ink

• Lightweight, only 12 oz.

• Temperature Use: 32°F to 150°F

• Black Plastic Case

• Quick, easy cleanup

• Thousands of single impressions

FPT00002 Specifications:

• Dimensions: 7.5" x 5.75" x 0.75" (case) 19.05cm x 14.6cm x 1.9cm)

• Weight: 12 oz. (340.19g)

No. FPT00002	Porelon® Palm Print Pad

Ceramic Options

PrintMatic™ Impeccable Ceramic Fingerprint Pad

The leading cause of poor impressions is over-inking of the fingers. The PrintMatic™ Impeccable Ceramic Fingerprint Pad is an ink pad system which is able to compensate for poor technique and uncooperative subjects by not only controlling the amount of ink on the pad surface, but by eliminating the effects of overpressure. Through the use of a micro-pore ceramic, PrintMatic™ Impeccable Ceramic Fingerprint Pads draw ink to the surface by capillary action. EZID ink is a stainfree, high-contrast, instant-drying, permanent ink. Pad comes in a multi-mount case for temporary or more permanent mounting.

EZID300 Specifications:

Pad Size: 3 ⅞" x 2 ½" (9.8cm x 6.35cm)

Weight: 6 oz., 170g

Dimensions: 5 ⅜"W x 2 ⅞"D x 1"H (13.7cm x 7.3cm x 2.5cm)

No. EZID300	PrintMatic™ Ceramic Fingerprint Pad

PrintMatic™ Ceramic Pocket Fingerprint Pads

The EZID100 and EZID200 have the same quality features as the full-sized ceramic pad but are pocket-sized for maximum portability and convenience.

Features:

• Stainfree ink, dries fast on cards

• High-Contrast

• Ceramic pad eliminates over-inking

No. EZID100	PrintMatic™ Ceramic Micro Fingerprint Pad, 1 ⅝" dia.
No. EZID200	PrintMatic™ Ceramic Mini Fingerprint Pad, 2" dia.

Pocket Ceramic Fingerprint Pad

This ceramic pad can be carried anywhere, but unlike other pocket-sized pads, it's large enough (1.77" x 2.16" or 4.5cm x 5.5cm) and uniquely-shaped to allow the taking of rolled as well as plain impressions. Perfect for use in the field or office.

No. EZID701	Pocket Ceramic Fingerprint Pad, 1.77'' x 2.16''

Pre-Inked Rollers

The PrintMatic™ Pre-Inked Fingerprint Roller

Combine the PrintMatic™ Roller with the Porelon® pad! This item has all the advantages of Porelon® pads but in an easy-to-use pre-inked roller. The hard part is already done for you: the pre-inked roller provides an even layer of ink. With a pre-inked roller, prints are often cleaner, sharper, and ideally suited for comparison viewing and computer scanning.

PIP100 Specifications:

• Net Wt.: 1 lb. (0.45kg)

• Ink Roller Width: 3" (7.6cm)

• Overall Dimensions: 6" x 4 ⅝" x 1 ¾" (15.2cm x 11.7cm x 4.5cm)

PIP100 Contents:

1- Pre-Inked Porelon® Roller

1- Protective Metal Case

2- FPT1C1 Super Cleaner Towelettes

No. PIP100	PrintMatic™ Porelon® Ink Roller
No. PIP100R	Replacement Roller

PrintMatic™ Pre-Inked Horizontal Roller

The horizontal roller is a versatile version of our fingerprint roller but for the size of the whole palm. It's ideal for ink-rolling on the slab or directly on the hand. Replacement rollers available.

PIP100H Specifications:

• Net Wt.: 6.6 oz (188g)

• Ink Roller Width: 3" (7.6cm)

• Dimensions: 8 ½" x 1 ¾" dia. (21.6cm x 4.5cm dia.)

PIP100H Contents:

1- Pre-Inked Porelon® Roller

1- Protective Metal Case

2- FPT1C1 Super Cleaner Towelettes

No. PIP100H	PrintMatic™ Horizontal Roller
No. PIP100R	Replacement Roller

Fingerprint Ink

Search Fingerprint Ink

Specially formulated for fingerprinting, this ink is easily rolled and dries quickly on paper. However, it will remain soft and usable on a slab for days. Our Spray Smooth Ink is the same high-quality ink, but in a handy 4 oz. aersol can. Simply spray it onto an inking slab and roll it smooth with one of our ink rollers.

No. 230T	Search Fingerprint Ink, (60ml) tube
No. 231T	Search Fingerprint Ink, (120ml) tube
No. 232T	Spray Smooth Fingerprint Ink, 4 oz. aersol can

SupremInk Fingerprint Ink

This ink is less viscous than our regular ink, making it easier to roll out and clean up. Only a few drops are needed to roll a thin, even layer of ink – perfect for showing superb ridge detail in fingerprints. It won't dry out on the surface but will dry immediately on paper.
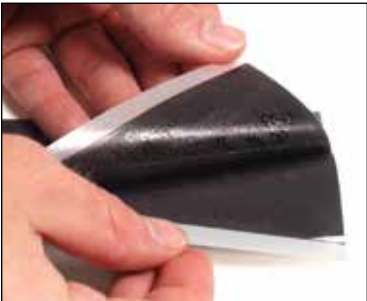

Often Bought Together:
(FPT262A) 3" Fingerprint Ink Roller

No. SUP2	SupremInk Fingerprint Ink, 2 fl. oz.
No. SUP4	SupremInk Fingerprint Ink, 4 fl. oz.

Disposable Ink Strips

These strips help produce excellent fingerprint images with ink between two thin sheets of plastic. Please note: for commercial and public use. Not recommended for criminal fingerprinting.

No. SIS15	Disposable Ink Strips, 5" x 1", 2400 ea.
No. SIS310C	Disposable Ink Strips, 10" x 3", 100 ea.
No. SIS35C	Disposable Ink Strips, 5" x 3", 100 ea.
No. SIS610C	Disposable Ink Strips, 6" x 10", 100 ea.

Inking Slabs & Rollers

Inking Slabs

These high-quality and super-smooth inking slabs are portable and versatile. Stainless steel and glass slabs available. The stainless steel inking slabs feature predrilled mounting holes.

No. FPT258	Stainless Steel Inking Slab, 4" x 10"
No. FPT260	Stainless Steel Inking Slab, 5'' x 12''
No. FPT205	Glass Inking Slab, 4'' x 10''

Search Easy-Grip Fingerprint Ink Rollers

These quality ink rollers feature an unbreakable, custom-designed thermoplastic handle for maximum operator comfort and control. The frame design prevents the roller from touching the inking table when not in use. A high-density, medium-soft rubber roller element withstands repeated cleaning with harsh solvents. The roller is easy to disassemble when replacement parts are required.

Features:
- Finish: Vinyl-clad aluminum platinum (gray)
- Materials: Aluminum alloy and steel
- Handle: Cast plastic, black
- Roller: Centerless ground, Buna-N black, 50 durometer

Specifications:
- FPT262: Net Wt.: 2.5 oz. (72g), Size: 5 ⅝" x 2 ⅞" x 1 ½" (14.3cm x 7.3cm x 3.8cm)
- FPT262A: Net Wt.: 3.2 oz. (91g), Size: 5 ⅝" x 3 ⅞" x 1 ½" (14.3cm x 9.8cm x 3.8cm)
- FPT262B: Net Wt.: 8.5 oz. (241g), Size: 5 ⅝" x 4 ⅞" x 1 ½" (14.3cm x 12.4cm x 3.8cm)

No. FPT262	2" Easy-Grip Fingerprint Ink Roller
No. FPT262A	3" Easy-Grip Fingerprint Ink Roller
No. FPT262B	4" Easy-Grip Fingerprint Ink Roller
No. FRR200	2" Replacement Roller
No. FRR300	3" Replacement Roller
No. FRR400	4" Replacement Roller

Super Fingerprint Ink Roller

The SEARCH Super Fingerprint Ink Roller is one of the finest ink rollers made. The roller assembly is designed to ensure operator comfort for effective ink spreading. The roller's black-wrinkle-finished steel frame provides the proper weight and balance for optimum control. The roller features a high-density, medium-soft composition rubber that will withstand repeated cleaning with harsh solvents. The roller bracket is designed to prevent the roller from touching the inking table when not in use.

FEL100 Features:
- Finish: Epoxy-painted, black wrinkle
- Materials: Cold-rolled steel
- Roller: Centerless ground, Buna-N black, 50 durometer

FEL100 Specifications:
- Net Wt.: 10.4 oz. (295g)
- Dimensions: 7 ¼" x 4 ⅞" x 1 ⅞" (18.4cm x 12.4cm x 4.8cm)

No. FEL100	Super Fingerprint Ink Roller, 4"
No. FRR400	4" Replacement Roller

Ridge Enhancing Solutions

Lansberry's Ridge Builder

Get good fingerprints from anyone despite their having poor ridge structure, such as brick masons, agricultural workers, and the elderly. Applied to the finger bulbs, it helps create successful fingerprint recordings.

No. LRB20T	Lansberry's Ridge Builder Pads, 100 ea.
No. LRB20	Lansberry's Ridge Builder Liquid, 4oz.

EZ Scan Ridge Enhancer

With a proprietary rehydration formula, this enhancer will expand friction ridges and improve ridge detail. It works well with traditional inking methods, Live Scan devices, and can even restore the mummified fingers on cadavers. Non-toxic & non-flammable.

No. FPT00001	EZ Scan Ridge Enhancer, 1.5 fl. oz.

Fingerprint Cardholders

Multi-Mount Injection Molded Cardholder

Get the flexibility of where and how you want to use this cardholder. It can be fastened to wood or metal, or mounted to a steel cabinet. It comes with non-slip rubber feet in case you want to use it for portable, desktop use.

Multi-mount cardholders can be mounted three ways: with included screws, rubber feet or magnetic feet.

FPT263 Features:
- Multi-mount (with screws, rubber feet or magnetic feet)
- Positive-snap lock secures record card

FPT263 Specifications:
- Injection-molded components
- Positive snap-lock secures record card
- Black textured finish
- Dimensions: 9 ⁹⁄₁₆" x 3 ⅞" x 1"

No. FPT263	Multi-Mount Injection Molded Cardholder

Search Clamp-On Fingerprint Cardholder

This fingerprint cardholder is excellent for use at various locations because it can be mounted on almost any flat surface. The cardholder features an integral threaded clamping screw that provides a stable and slip free mount. An overlapping "lip" allows for instant positioning. Unit holds standard 8" x 8" record cards.

FEL696A Features:
- Cardholder Materials: FPT263 Injection-Molded Cardholder: 0.090" thick cold rolled steel base plate
- Mounting Clamp: 3/8-16" x 2" threaded clamping screw

FEL696A Specifications:
- Weight: 2.25 lbs
- Dimensions: 9 ½" x 3 ¾" x 3 ½"

No. FEL696A	Clamp-On Fingerprint Cardholder

Search Regular & Duplex Fingerprint Cardholders

Hold record cards firmly in place to prevent smudging or slipping. Single cardholders available for regular 8" x 8" or A4 sized cards. Duplex cardholder is available for 8" x 8" cards only.

Features:
- Cardholder Base: Nickel plating and vinyl-clad, platinum (gray)
- Cardholder Materials: Vinyl-clad aluminum, platinum (gray)

Specifications:

FPT264
- Weight 11.1 oz. (0.315kg)
- Dimensions: 10 ¹⁵⁄₁₆" x 3 ⅞" x 1 ⅛" (66.7cm x 11.3cm x 4cm)

FPT264A
- Weight: 2.4 lbs. (1.09kg)
- Dimensions: 26 ¼" x 4 ⁷⁄₁₆" x 1 ⁹⁄₁₆" (66.7cm x 11.3cm x 4cm)

No. FPT264	Regular Single Fingerprint Cardholder
No. FPT264A	Duplex Fingerprint Cardholder
No. FPT264A4	A4 Single Fingerprint Cardholder

Fingerprint Record Cards

Applicant Record Cards

Designed to the specifications of the U.S. Immigration and Customs Enforcement, these cards are 8" x 8" and available with or without a custom ORI number (please specify when ordering). Volume discounts are available.

No. FD258	Applicant Record Cards, 100 ea.
No. FD2581	Applicant Record Cards w/imprint, 100 ea.

Child Fingerprint Cards

An 8″ x 8″ fingerprint card designed for fingerprinting children. Space is provided for information for both the child and parents.

No. FC335	Child Fingerprint Cards, 100 ea.

Personal Record Cards

These 8″ X 8″ cards are deal for personnel records, hospitals, schools, etc.

No. FC334	Personal Record Cards, 100 ea.

Criminal Record Cards

These 8″ x 8″ cards have a super-smooth, brilliant white finish and fast-ink absorption. Flexible enough that printers won't crease or wrinkle them. Volume discount available when ordering 10 packs or more.

No. FC330	Criminal Record Cards, 100 ea.

Printover Tabs

Don't worry when making poor impressions if you have these tabs. They're opaque, adhesive-backed tabs that can cover impressions on standard cards so individuals can be reprinted.
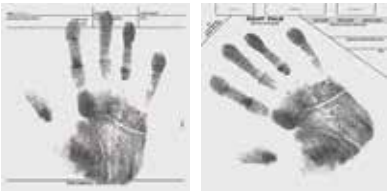

No. FPT107R	Printover Tabs, 100/roll
No. FPT108R	Printover Tabs, 500/roll
No. FPT109	Printover Tabs, Individually Cut, 1000 ea.

Palm Print Cards

These 8″ x 8″ palm print cards are available in both standard and diagonal formats.
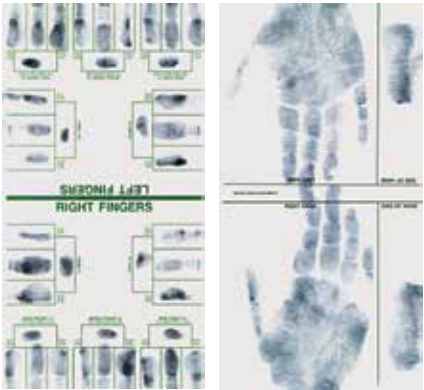

No. AP110	Standard Palm Print Cards, 100 ea.
No. AP112	Diagonal Palm Print Cards, 100 ea.

Major Case and Tip Print Cards

Use these cards on major cases involving robbery suspects, sexual assault, homicide, and burglary suspects. Latent prints at crime scenes often include finger tips, palms, or finger joints. This two-card system supplements standard 8″ x 8″ records with more detail. Cards are 8″ x 16″ and sold in sets of 50 each.

No. FC332	Major Case and Tip Print Cards, 50/set

Fingerprint Taking Kits

Fingerprint Taking Binders

Conveniently and accurately obtain fingerprints in the field with our portable fingerprint taking binders. Includes an ink pad, cardholder, record cards, and ink cleaner towelettes. Available with PrintMatic™ Flawless ink pad or Porelon® ink pad.

FPB100/FPB100PF Specifications:

- Dimensions: 12″ x 10 ⅛″ x 1 ½″ (30.5cm x 25.7cm x3.8cm) (closed) 25″ x 10 ⅛″ (63.5cm x 25.7cm)(open)
- Weight: 2.3 lbs. (1.04kg)

FPB100/FPB100PF Contents:

1- FPT263 Injection-Molded Cardholder
1- Fingerprint Cards Pouch
1- Towelettes Pouch
20- FPT1C1 Super Cleaner Towelettes
1- FPT265 Porelon® Pad (FPB100 only)
1- PFP700 PrintMatic™ Flawless Pad (FPB100PF only)

No. FPB100PF	Fingerprint Taking Binder w/Flawless ink pad
No. FPB100	Fingerprint Taking Binder w/ Porelon® Pad

Folding Fingerprint Taking Combination

Perfect for the field or the office, you can record fingerprints easier with our folding cardholder/ink pad combination. Available with PrintMatic™ Flawless or Porelon® Ink pad.

FFC100/FFC100PF Specifications:

- Dimensions: Closed: 11 ¾″ x 4 ½″ x 3″ (24.8cm x 11.4cm x 7.6cm); Open: 22 ¾″ x 4 ½″
- Weight: 1.9 lbs. (0.86kg)

No. FFC100	Folding Combo w/PrintMatic™ Flawless Pad
No. FFC100PF	Folding Combo w/Porelon® Pad

Fingerprint Taking Combinations

Have your ink pad and cardholder secure and in one place with these Fingerprint Taking Combinations. Each features a fingerprint pad and a cardholder on a common base ready for use or to be mounted anywhere. Available with PrintMatic™ Flawless Ink or Porelon® with one or two cardholders.

Specifications:
FPT269/FPT269PF:

- Net Wt.: 2.1 lbs. (0.95kg)
- Dimensions: 26 ¼″ x 4 ⁷⁄₁₆″ x 1 ⁹⁄₁₆″ (66.7cm x 11.3cm x 4cm)

FPT269A/FPT269APF:

- Net Wt.: 3.2 lbs. (1.47kg)
- Dimensions: 39 ¼″ x 4 ⁷⁄₁₆″ x 1 ⁹⁄₁₆″ (99.7cm x 11.3cm x 4cm)

FPT269/FPT269A Contents:

1- FPT263 Injection Molded Fingerprint Cardholder (FPT269 only)
2- FPT263 Injection Molded Fingerprint Cardholders (FPT269A only)
1- FPT265 Porelon® Fingerprint Pad (FPT269, FPT269A)
1- PFP700 PRINTMATIC™ Flawless Fingerprint Pad (FPT269PF, FPT269APF)

No. FPT269PF	PrintMatic™ Flawless Combo w/Single Cardholder
No. FPT269	Porelon® Combo w/Single Cardholder

1- KCP224 Molded Polypropylene Carrying Case

No. EFP90PF	PrintMatic™ Flawless Crime Scene Kit
No. EFP90	Regular Porelon® Crime Scene Kit

Postmortem Fingerprinting

Postmortem Inking Tools

Designed specifically for taking fingerprints of the deceased, these finger-sized, pre-inked pads greatly simplify the task of inking immobilized fingers. They permit rapid, efficient and uniform finger inking. A rugged, nickeloid case assures years of service.

No. PM283	Regular Porelon® Postmortem Inking Tool
No. PM283P	Replacement Porelon® Pad

PrintMatic™ Porelon® Postmortem Ink Roller System

Ink is rolled directly onto the finger bulbs and then immediately applied to a postmortem record card. The rolling action helps prevent ink smearing.

No. PM283PIP	PrintMatic™ Postmortem Roller
No. PM283PIPR	Replacement Roller

PrintMatic™ Porelon® Postmortem Horizontal Ink Roller System

The ink is always ready in this horizontal ink roller. Primarily used for recording prints of the deceased, it may be used for many other field fingerprinting situations.

No. PM283PIPH	Horizontal PrintMatic™ Postmortem Roller
No. PM283PIPR	Replacement Roller

Regular and Folding Postmortem Record Strip Holders

Our revolutionary-design of our strip holders helps create perfect impressions. The curvature helps reduce the chance of smudges. Primarily designed to hold our postmortem card strips. Available in a folding option.

Often Bought Together:
(FC345L, FC345R)
Postmortem Record Strips

No. PMNS60	Postmortem Record Strip Holder
No. PMNS60B	Folding Postmortem Record Strip Holder

Postmortem Record Strips

Offered in two forms: standard and adhesive-backed, these cards have a white finish and absorb ink rapidly. Available in packs of 100 of left hand recording strips or right hand recording strips, with or without adhesive. Volume discount when ordering 5 packs or more.

No. FC345L	Postmortem Record Strip, Left Hand, 100 ea.
No. FC345R	Postmortem Record Strip, Right Hand, 100 ea.
No. FC543L	Postmortem Record Strip w/adhesive back, Left Hand, 100 ea.
No. FC543R	Postmortem Record Strip w/adhesive back, Right Hand, 100 ea.

Postmortem Finger Straighteners

Specially designed to straighten clenched fingers of the deceased, they feature two different sized holes per straightener to accommodate the vast majority of finger sizes.

PMFS500 Specifications:
• Hole Sizes: ⁷⁄₁₆", ½", ⁹⁄₁₆", ⅝", ¹¹⁄₁₆", ¾"
• Material: Bright zinc-plated steel
• Pouch: Leatherette
