

You've Counted On Us To Design & Build Your Vehicles For Over 60 Years.

Why Choose Us?

- Unparalleled Customer Service
- Unprecedented Reputation for Quality
- Single-Source Provider from Design to Delivery
- Built to Meet Your Needs & Budget
- Integration with Sirchie's Market-Leading Kits & Equipment

What Can Our Vehicle Solutions Do For You?

Increase Accessibility with Adjustable Shelves:

Nothing is beyond your reach with our flexible composite storage units. Elevate your environment with more structure, improved convenience and better organization.

Utilize Our Customizable Modular Design:

Enhance workplace efficiency with our versatile modular system. Simply remove or add shelves, drawers and dividers based on your daily tasks and needs.

Personalize Your Team's Workstation:

Shed light on your squad's objectives under the finest interior dome lighting, comfortable stool seating and expansive desktop for writing reports. Equip your station with our industry-leading evidence collection kits and biological specimen kits.

Contact the following representatives at (800) 356-7311 for more information:
