

Live Scan Bio-Identity Solutions for North Carolina

Low Cost Time Saving Turnkey Packages

Modernize your fingerprint taking process for criminal booking & applicant processing

Why Choose a Sirchie Solution?

- Incredibly easy to use vs. older systems or ink pad/roller
- Instant print quality grading to ensure print quality and reduce rejection rate
- Required data checks to ensure completeness of transaction
- Low start-up & maintenance for real dollar savings
- Increase officer/staff productivity
- Better serve your community for all types of applicant printing

Instant print quality grading to ensure print quality and reduce rejection rate

Our base package for criminal and applicant processing will arrive to you complete and ready to go consisting of a Palm Print Live Scan device and computer loaded with North Carolina-ready Sirchie Live Scan software. Available for in-office use or packaged in a portable jump kit for mobile use.
